

Garvi Gujarat

From 7 to 14 Day Tours

Bhuj, Amdavad, Surat, Varodadra and Sarangpur

The Word Spa is derived from the Latin "Solus Pro Aqua" which means health through water. The spa concept of immersing the body with a person and water to restore and maintain health is considered

to be very important to life. A wide range of Health treatments and beauty treatments relax and relieve from stress and strain. Facilities and services available available at the spa Resorts of India includes and outdoor pool, Health fitness assessment, analysis and Personal Fitness training.

Ayurveda is the art of Healthy Living that enables you to create Harmony in Daily Life by applying self-knowledge and self-care. Ayurvedic living occurs when you recognize your basic nature and live according to this true self. These energies combine in Limitless ways to create the unique qualities of each individual. Ayurveda assists you in identifying these energies within and shows how to gain freedom from their limitations by working with the body's unique nature to create true health.
